THE NEW FOREST

TUCK'S POST C

COLOURED POSTA

(FOR AD

*By Appointment*

**Queen's Bower, the New Forest.** The name of the New Forest dates from 1079, when William the Conqueror, who "loved the tall deer as if he were their father" set it apart as a hunting-ground. William II was accidentally killed in the Forest by Sir Walter Tyrrel in 1100; the Rufus stone marks the spot.
